BLISTERS ON FACE ITCH AND BURN

Forehead and Nose Shield of Scales. Child Would Cry and Lie Awake At Night. Awfully Cross.

HEALED BY CUTICURA SOAP AND OINTMENT

"My little girl had eczema on her face so

badly that her forehead and all across her closed. It came in clear blisters which would spread and itch and burn causing her to scratch. She would cry and lie awake and keep me awake at night and she was awfully cross.

"Then I sent for a free sample of Cuticura Soap and Ointment and I knew it helped her, so I got one cake

Ointment and I knew it helped her, so I got one cake of Cuticura Soap and one box of Ointment and inside of a month she was healed sound and well." (Signed) Mrs. Mura Nicholson, Neptune, Tenn., July 27, 1915. War College Division of the General Staff Corps Reports on Bill in Congress.

A bill recently introduced in Congress appropriating \$400,000 for the purchase by the government of the former aviation field at College Park. Md., has been reported on adversely by the War College division of the General Staff Corps. In advising Congress of the general staff's disapproval of the project, Secretary Baker said that while the project was turned down for the time being, he would institute another nvestigation at some later date, should

Congress so desire.

The field can be rented, it was said, at a price which is considerably lower than the interest on the proposed purchase price. At the War Department it is held that the present aviation base at San Diego, Cal., is better adapted to army purposes than the former field at College Park.

Opposes Army Reorganization Bill. James H. Maurer, president of the

Pennsylvania Federation of Labor, told President Wilson today he did not believe the country wanted increases in the army and navy, and he opposed the army reorganization bill. The Presi-dent told Mr. Maurer he did not agree
